"She is a fireball onstage. Her raw-throated vocals and passion are what first caught my ear."

The New York Times

"The combination of her powerful vocals and killer guitar playing skills make you feel inspired whenever you listen to any of her songs"

COSMOPOLITAN

"...a collection of soulful pop tunes, with Ryder's husky voice surfing exuberantly over quirky arrangements and overt displays of musicianship."

Interview

"Armed with a powerful voice and her guitar, the singer-songwriter commands attention..."

People

"Like listening to the teenaged Aretha Franklin..it's impossible not to be physically shaken when Serena sings"
