A highly sought-after songwriter, Martin has collaborated with some of the biggest names in pop music, having co-written songs for The Chainsmokers, One Direction, Nick Jonas, Zedd, and Pitbull, among others. His stellar track record includes chart-topping success for his work on hits like Maroon 5’s “Daylight” and Jason Derulo’s “Want To Want Me.” In 2014, Martin co-wrote and was featured on a pair of international smashes from EDM giant David Guetta – “Dangerous (feat. Sam Martin)” and “Lovers On The Sun (feat. Sam Martin).”

USA Today has featured Martin as an Artist To Watch, writing that he's "positioned to have the kind of U.S. break out that Sia had."
