PRE-SAVE *PHOENIX DELUXE*: <https://CharlotteCardin.lnk.to/PhoenixDeluxePresavePR>

Globally-acclaimed singer/songwriter **Charlotte Cardin** has announced a deluxe edition of her debut album *Phoenix*, preceded today by the new single, “[Scorpio Season](#),” produced by **Stint** (*Demi Lovato, Kesha, Panic! At the Disco*). *Phoenix Deluxe* arrives November 12th via Atlantic Records, featuring six brand new tracks.

“Scorpio Season opens on October 22nd and runs all the way to November 21st. It is a season of mystery, intensity and emotion. It’s the most sensual time of the year, and the most confusing — we want intimacy, but we want clarity — what are we, where are we going, where is this going? As death and rebirth always go hand in hand, this song is about the necessary fatalities that Scorpio Season brings upon us all.” – **CHARLOTTE CARDIN**

The updated offering from Cardin also includes the new original songs “**You Lie You Die**,” “**Changing**” and “**Over Me**,” all of which are B-sides initially written with the rest of *Phoenix*. Standout track “**You Lie You Die**” was originally intended to serve as an interlude, but after an hour-long writing session manifested into an entire song of its own.

Other notable additions to **Phoenix** include a remix of “**Passive Aggressive**” by **Johnny Goldstein (Black Eyed Peas, Galantis, Little Mix)** and “**C’est La Vie**,” the latter of which features prominent French rapper **Dinos**. Also included in the deluxe edition is “**Phoenix (Reprise)**,” a previously released duet between Cardin & **Lubalin**.

“We wrote about fifty demos for the initial Phoenix album. Out of the batch, we picked thirteen to tell the story we wanted to tell with this first record. As much as we loved the other tracks, we couldn’t fit all of them on there. But ever since we released the album, the response has been so positive that I wanted to give back to my ever so supportive fans by extending the Phoenix era a little longer. I went back to those first demos that I loved and chose to work on the ones that were particularly special to me for this release. I hope they will be special to you as well.”

– **CHARLOTTE CARDIN**

The re-package debuts just ahead of Cardin’s highly anticipated 2021-2022 North American headline tour, with **21 dates already sold-out** including Los Angeles’ Roxy Theatre & opening night at New York’s Music Hall of Williamsburg. Full routing and ticketing information available via charlottecardin.com/tour.

Praised by **HYEBAE** for its “*rippling melodies*” and “*stunningly raw vocals*,” **Phoenix** held the #1 spot in Canada for two weeks and has amassed over 40 million global streams to date. The stunning body of work features stand-out singles “**Phoenix**,” “**Anyone Who Loves Me**,” “**Sad Girl**,” “**Passive Aggressive**,” “**Daddy**” & “**Meaningless**” – all of which marked the first music following a near-two year hiatus from the Montreal-based artist. The release was further celebrated with an elaborate and immersive ticketed livestream performance, “**The Phoenix Experience**,” with select videos now available to view via Cardin’s YouTube channel ([watch here](#)). Cardin also recently released a pair of exclusive **Spotify Singles**, paying tribute to **Amy Winehouse’s “Back 2 Black”** along with a mesmerizing French reprise of **Phoenix** standout “**XOXO**.”

Guided by instinct and gifted with a seismic voice, Cardin pens personal anthems about life and love without filter. Following the success of her **Big Boy** EP across Canada, she made waves worldwide with her major label and US debut **Main Girl** EP in 2017 and has amassed over 200 million career streams worldwide. Featuring the standout [title track](#) and breakthrough “**Dirty Dirty**,” **Main Girl** quickly gained critical acclaim from the likes of **The FADER**, **Harper’s BAZAAR**, **Interview**, **NYLON**, **PAPER**, **W Magazine** & more. The release simultaneously sparked a whirlwind two-year journey around the globe that saw Cardin support the likes of **Nick Murphy** and **BØRNS**, in addition to selling out headline shows on multiple continents and gracing the stages of festivals such as **Bonnaroo**, **Osheaga** & **Festival d’Été de Québec** (as a special guest of **Sting** and **Peter Gabriel**).
