COLDPLAY RELEASE *COLORATURA* TRACK FROM NEW *MUSIC OF THE SPHERES* ALBUM

Coldplay have today released the ten and a half minute closing track of their forthcoming album **Music Of The Spheres** (out October 15th).

Described in the band's recent [album announcement](#) as an album track rather than a single, **Coloratura** is an exhilarating, space-bound epic that includes namechecks for Galileo, Oumuamua and Betelgeuse.

The band have also revealed that their next full single will follow in September.

A lyric video for **Coloratura** is available on YouTube [HERE](#).

The song can be streamed / downloaded [HERE](#).
