COLDPLAY ANNOUNCE MUSIC OF THE SPHERES FOR OCTOBER 15TH AND DROP ALBUM TRAILER

Coldplay have today confirmed the release of their much-anticipated new album, **Music Of The Spheres**. The band's ninth LP will hit stores and streaming services on October 15th, 2021.

The band announced the Max Martin-produced album [on Instagram](#) via a handwritten note alongside an album trailer (available on YouTube at <https://youtu.be/IQenG42hyE8>) which combines an animated cosmic journey through the album's planetary artwork with short clips of the album's twelve tracks.

The band's note also seemed to hint at further sci-fi themes with the phrase 'Everyone is an alien somewhere'.
