

There is no replicating a sound this singular. Don proves once again he can enter other artists worlds and still leave completely under his own pretense.

Interview

The Travis Scott protégé has become one of the most promising artists to emerge from Houston.

HIGHSNOBIETY

Don Toliver has established himself as one of hip-hop's fastest rising stars. The whole project makes one thing very clear: He's a star who will be around for a long time.

COMPLEX

DON  TOLIVER

Don Toliver has continued to demonstrate himself as one of hip-hop's most promising newcomers. [He] returns with his debut album, a turn to the psychedelic with his ever-growing vocal range.

HYPEBEAST

Toliver's rich, low-toned style of vocalization make him a unique charm in hip-hop as he offers an exclusive kind of energy over futuristic trap production.

UPROXX

Heaven or Hell takes you on a journey of retro-futuristic R&B and psychedelic choruses, and Toliver takes us to Church in the album opener, setting the tone for the album, his silky smooth vocals glide over ominous trap beats.

Wonderland.
