

JUSTICE CARRADINE

"Whether for his magnetic energy, smooth yet lively tone that ranges from sing-me-to-sleep to get-up-and-dance, or his unassuming interest in extraterrestrial life, Justice is just easy to like."

LADYGUNN

"Evoking shades of Shawn Mendes, Harry Styles, and Troye Sivan, Justice Carradine is a man of his own making, and we can't wait to see what he has in store for the future!"

"irresistibly catchy...fusing alternative, R&B, rock, and more to create something moving, memorable and altogether his own."
