Last year's [GUCCI MANE PRESENTS: SO ICY SUMMER](#) compilation mixtape introduced the fresh crew with collaborations, solo tracks, and features from some of 1017 Global Music's signees. After just a few months, The New 1017 crew has already seen major success with Pooh Shiesty, Foogiano, and Big Scarr all dominating *Rolling Stone's* influential "Breakthrough 25" chart as the fastest rising artists in recent months.
