

CKay

Chukwuka Ekwéani, known publicly as CKay is the rising star in the ever-burgeoning Afrobeats scene. A multi-talented artist, whether behind the boards as a producer or in front of the mic performing his self-penned songs, it is CKay's single-minded vision that shines through.

2019 saw the launch of his debut EP 'CKay The First' on which his future break-out hit 'love nwantiti' was the centerpiece. In 2020, that single was featured on Diddy's [TeamLove.com](https://www.teamlove.com) Danceathon raising relief funds during the COVID-19 pandemic. August of this year saw him drop a series of remixes of 'love nwantiti' featuring friends from around the World - Elgrande Toto from Morocco, Franglish hailing from France, and US latin star De La Ghetto among them. November 2020 saw a culmination of sorts - a feature and co-production credits on Nigerian superstar Davido's 'A Better Time' album alongside Lil Baby, Sho Madjozi, Nicki Minaj and more.

CKay is now ready to share his own new music with the World as he readies the release of his sophomore EP due early 2021, with the 1st single, 'Felony' appearing as a taster 4th December 2020.
