HYPEBAE

AND MORE!

“Kirel is, if not an old soul, then certainly mature beyond her years in the minds of those who’ve been following her rapidly ascending career, with the smarts, confidence, charisma and talent to forge her own path.”

VARIETY

“The Israeli pop star is making waves”

People

“Fans of Ariana Grande need to go stream ‘Please Don’t Suck’ immediately.”

ENEWS

“(‘Bad Little Thing’)...a loud, swaggering, bang-bang-into-the-room track about empowerment, self-sufficiency, and making zero apologies for who you are.”

STEREOGUM

“pop superstar Noa Kirel is bringing her nonstop energy across the globe to the United States. Noa is a jack of all trades, from singing and songwriting to dancing and acting, she shines in all areas of entertainment.”

FLAUNT

“Kirel showcases not just her astonishing vocals, but a penchant for choreography and acting as well... she’ll be a massive presence in American pop by the end of the year”

UPROXX

“Accompanied by a sci-fi-themed music video, her newest single, ‘Thought About That,’ will likely bring her one step closer to superstardom.”

POPSUGAR.
“the world is ready for all her talents!”

“‘Please Don’t Suck’ is pristine, anthemic pop at its finest delivering one of the most infectious hooks of the year.”

“Paired with the undeniable groove and Noa’s intoxicating vocals, and ‘Bad Little Thing’ is a very, very good thing. It’s also a great introduction to those who are unaware of this global pop phenomenon.”

HollywoodLife

“Noa Kirel is the definition of a triple threat.”

SWEET HIGH

“(‘Please Don’t Suck’)...a hummable and hypnotic bop”

BEYOND THE STAGE

“we love Noa Kirel’s unapologetic confidence...‘Bad Little Thing,’ is the perfect boppy example!”

“Noa Kirel is one of those individuals who was born to be a star.”

THE LUNA
COLLECTIVE

“If you need any more proof that Noa Kirel is pop royalty, ‘Thought About That’ is a receipt you’ll want to hang on to.”
