

"Paired with contorted synths and relentless drums, 'miss andry' paints a painfully clear picture"

billboard

"a wise-beyond-his-years artist willing to delve deep"

IHUFFPOST

"Much like (Billie Eilish), Sant seems to have expelled his singular experience in a universal way. Hopefully universal acclaim also follows."

The Guardian

"He...has a gift for conjuring lush but somber musical atmospherics around his words"

BlackBook

"an honest and poignant look into our society...you should be paying close attention to flowerkid."

Flowerkid

"simultaneously nostalgic but also uniquely modern...an impressive new entry from the 19-year-old, undoubtedly making them an artist to watch."

UPROXX

"His music speaks to the insecurities all people face, and the more specific his lyrics get, the more relatable they feel."

ADVOCATE

"already stealing the hearts of many across the world...Flynn continues to share his truth and bare his soul, giving inspiration to aspiring artists to do the same."
