

REVIEWS

"As her career as a singer of slinky, experimental R&B songs started to take shape, a prevailing "wise-beyond-her-years" narrative developed around it."

W

"Her vocals are gossamer wisps of silk, stitching together the overwhelming awe of a world that won't stop turning."

FLOOD

"Her voice is the definition of ethereal — a classically trained power channeled to delicate R&B "

VULTURE

"Lenae's voice, which dances playfully around every note, vibrating with infatuation."

FADER

"Sky-high vocals with funky bass lines and delicious electro-soul textures."

The New York Times

"Ravyn Lenae's take on R&B is heaven sent. "

BAZAAR

"At 23, the singer-songwriter is deftly creating her own R&B lane: vibey, electric beats with melodic touches and ethereal, layered vocals, whose soft-to-soaring range has been compared to Minnie Riperton and Janet Jackson."

billboard

"The most obvious comparison here is Aaliyah, but Lenae's vocal composition honors many on HYPNOS, pulling from Brandy's "vocal bible" riffs and Solange's visionary harmonies, Kelela's outré artistry, and Destiny's Child's lullabying melodies."

Pitchfork

"This year Lenae reemerged with the release of her debut full length, HYPNOS, already shaping up to be one of the best albums of 2022."

npr

"Ravyn Lenae's vocal range floats between registers, seemingly defying gravity with each glissando note."

RECORDING ACADEMY

"One of the most exciting emerging forces in modern R&B is ready to make a lasting mark."

UPROXX

"With lush melodies and bridges that put her in a league of her own right now. "

COMPLEX

"A promising artist who is wise beyond her years and a gentle reminder to keep all eyes on her."
