On the heels of a banner year, multiplatinum global superstar **Hilary Duff** has released her brand-new ***Holiday Things*** EP, out now via **Atlantic Records**. Listen to the EP and order physical formats — including vinyl and CD — **HERE**.

Co-written by Hilary and produced by her husband, GRAMMY® Award-winning songwriter/producer **Matthew Koma** (Britney Spears, P!nk), and **Brian Phillips** (Alec Benjamin, blink-182), the core creative team behind her critically acclaimed sixth studio album ***luck… or something***, the 5-track collection blends cozy holiday nostalgia with Duff's signature pop sensibility. The EP features three brand-new original tracks including "**All You Want for Christmas is Me**," a reimagined cover of the seasonal classic "**Have Yourself a Merry Little Christmas**," and an updated "**(Mine)**" version of Wham!'s iconic "**Last Christmas**" that appeared on her 2002 Christmas album, *Santa Claus Lane*. See full tracklist below.

Holiday Things follows the recent release of "**CATastrophe**," an original song written and performed by Hilary for Warner Bros. Pictures Animation's **THE CAT IN THE HAT,** in theaters and IMAX® November 6.

In addition to her new holiday release, Duff will be honored at **Billboard's Live Music Summit** on **November 10**, where she will receive the **Outstanding Pop Tour of the Year** award following the massive success of her global headline "the lucky me tour" which is currently underway in Australia. On the strength of SOLD-OUT

performances at New York's Madison Square Garden, Los Angeles' Kia Forum, and London's The O2, the acclaimed tour has officially been extended through most of 2027. Fans can also catch Duff spreading cheer live this December as she performs at select iHeartRadio Jingle Ball dates, including stops in Los Angeles, New York, Boston, and Nashville. Full routing is available below. For complete details and ticket information, please visit www.hilaryduff.com/live.

ABOUT HILARY DUFF

One of the defining stars of her generation, multiplatinum global icon Hilary Duff returns to the pop world with her boldest and most self-assured project yet, ***luck… or something***. Duff first kicked off her music career with 2003's 4X platinum *Metamorphosis* (featuring the Top 40-charting "So Yesterday" and "Come Clean"), then released her platinum-selling 2004 self-titled LP and 2007 autobiographical dance-pop collection *Dignity*. With those three albums alone selling a collective 15 million copies worldwide, she also established herself as a producer, entrepreneur, philanthropist, and New York Times-bestselling author, all while continuing to deliver standout performances in TV and film, including her award-nominated turn on Darren Star's "Younger."

Now signed to Atlantic Records, Duff launched a thrilling new chapter with her sixth studio album, her first new music since 2015's *Breathe In. Breathe Out.* (a No. 5 debut on the Billboard 200, made with an extensive lineup of producers/co-writers, including Tove Lo and Ed Sheeran). Co-written by Hilary and produced by her husband, GRAMMY® Award-winning songwriter/producer **Matthew Koma** (Britney Spears, P!nk), and **Brian Phillips** (Alec Benjamin, blink-182), *luck… or something* debuted at **#3** on the **Billboard 200**, marking Duff's highest chart position since 2007 and at the time, became the second-largest debut for a female artist this year. As Hilary was honored as one of *TIME Magazine*'s 100 Most Influential People of 2026, *luck… or something* was named one of "Best Albums of 2026" by *Billboard, Rolling Stone and Variety* while garnering additional critical praise from *LA Times, Associated Press, Pitchfork, Glamour* and more, the project officially became Duff's sixth career Top 5 entry while simultaneously landing at **#2** on **Billboard's Top Album Sales Chart**. Internationally, *luck… or something* has soared to the top of the charts with **Top 5** debuts in 6 countries, including **#1** in Canada and Australia. Following the album release, Duff surprised fans with ***(Mine)***, a seven-song EP featuring newly re-recorded renditions of her greatest hits including "**Come Clean (Mine)**" and the beloved anthem, "**What Dreams Are Made Of (Mine)**." Marking her first major tour in over 18 years, Duff's critically acclaimed global headline "the lucky me tour" spans **18 countries** including SOLD-OUT performances at New York's Madison Square Garden, Los Angeles' Kia Forum, London's The O2 and more.
