

"There's a lot of frustration, navel-gazing sadness and anxiety in today's pop. MILCK tries something else: unabashed anthems of protest and uplift... 'If I Ruled the World' is unafraid to be optimistic, an immediate singalong over a joyful beat"

TIME

"Instead of keeping quiet, she's kept blooming, dreaming of possibility, casting love out into the void... MILCK's 'Into Gold' videos will make you cry (and inspire you to change the world)"

POP DUST

"With a voice that is impassioned, raw, and inviting, the songwriter turned activist has been on a mission toward enlightened connection... 'If I Ruled The World' is jovial with a gospel, chanting rhythm that grows on your heart with every beat. The song is full of imagery both buoyant and imperative, and the video serves symbolism at every turn."

LADYGUNN

"[MILCK] envisions a more just world of her making on this excellent lead single."

"MILCK Is Ready To Turn Tears Into Gold Again After Viral Women's March Anthem"

I HUFFPOST

"She can go from anthemic pop to whispered contemplation in a minute, the kind of flexibility that serves any songwriter."

UPROXX

"Into Gold EP is an evocative effort. She has stripped herself emotionally bare to convey compassion, whether for herself or others, and sounds exquisite while doing so."

tmrw

"It's a dance of good intentions, with lyrics both serious and humorous."

buzzbands.la

"strong woman anthem that will be sure to stick with anyone who hears it."
