**New York, NY – April 10<sup>th</sup>, 2020** – Multi-platinum singer, songwriter and producer **gnash** offers another emotional single with his latest release, “**leave**” – [LISTEN HERE](#). Co-produced alongside the Ricky Reed-signed, multi-platinum **Imad Royal (The Chainsmokers, Panic! At The Disco)**, the subtle alt-pop record will appear on gnash’s forthcoming EP due later this year.

“**leave**” is the follow up to a string of recent singles from gnash including [“hungover & miss u.”](#) released earlier in January, as well as February’s [“fear.”](#) **gnash** also released a new track in late 2019 titled [“forgive,”](#) co-written by [Luke Hemmings](#) and [Sierra Deaton](#) of **Alex & Sierra**.

Additionally, **gnash** appeared as a featured artist on several recent collaborations including **sad alex**’s [“wash your hands”](#) with **Roken**, **Lost Boy**’s [“Insecure,”](#) **Walk Off the Earth**’s [“Nicknames”](#) and **Keenan**’s [“33 Days,”](#) the latter of which he appeared alongside pop singer-songwriter **Anna Clendening**.

Aside from his recorded music, **gnash** teamed up with singer-songwriter **Marc E. Bassy** in 2019 for a co-headlining **Armed Forces Entertainment Tour** for United States troops stationed throughout Japan and also appeared in an **LGBTQ+ rights PSA** by the **Ad Council** for their **Beyond I Do** campaign.

[“leave”](#) is available now on all DSPs and streaming services.

### **ABOUT GNASH:**

gnash is a multi-platinum and Billboard chart topping singer, songwriter, and producer. A Los Angeles native, gnash stepped into the national spotlight in 2016, with his 5X platinum breakthrough hit “i hate u,

i love u,” which spent an impressive 39 weeks on Billboard’s Hot 100 chart, peaking at #10. The single also landed at #5 on the top 40 radio chart and has to date accumulated over 2 billion audio streams, and 500 million YouTube views. The track was included on his third EP, us, which released in March of 2016, following his two previous EPs, March 2015’s debut u, and the December 2015 follow up, me. It was also included in his full-length debut album, we. In October 2016, gnash was featured on acclaimed singer, songwriter MAX’s 2016 2X platinum breakthrough hit “Lights Down Low,” which has 400M+ streams and made the top 10 at Top 40 Radio. gnash has performed on The TODAY Show, as well as, Late Night with Seth Meyers, and has been featured in numerous high-profile publications including Billboard, Vogue, Nylon, The New York Times and Teen Vogue, in addition to countless others. A strong advocate for mental health, gnash has been open about his struggles and has publicly acknowledged the benefits therapy has had on his life. gnash uses his story to show fans that its ok to have feelings, and through his music, has encouraged people to find their own unique way to express them. gnash hit the road in early 2019 for his “the broken hearts club” tour with the final leg of the 40-date trek concluding in early July.
